Dear friends,

Allow me to invite you to the international academic festival of non-professional folk ensembles Academic Nitra 2020 (AN 2020) where you will have the opportunity to present the artistic wherewithal of your folk ensemble.

The festival Academic Nitra 2020 is organized by Constantine the Philosopher University in Nitra and the Ministry of Education, Science, Research and Sport of the Slovak Republic. It is held under the auspices of the President of the Slovak Republic, Ms. Zuzana Čaputová.

The festival will take place between the 5th and 11th July 2020 in Nitra. The main contest performances of Slovak ensembles will be held from the 5th to 8th July and the main contest performances of international ensembles from the 5th to 10th July 2020.

The 42nd international academic folk festival Academic Nitra primarily aims to foster students' positive attitudes to folk traditions; to allow people to further discover the values of traditional folk culture from various regions and countries; to bring together students with folk culture-inspired artistic hobbies; and to help expand the lively communities of student folk ensembles. More than 700 participants from Slovakia and abroad will attend the festival.

AN 2020 will also host many accompanying events whose aim is to bring it closer to people. These will include thematic expositions, a festival parade through Nitra, performances by the contestants in the towns of Šaľa and Zlaté Moravce as well as a number of youth social events.

The festival has been organized in accordance with the standards of the International Organization of Folk Art (IOV).
